

PixelMax Wash

PixelMax Wash is a RGBA luminaire, featuring 132 high intensity Luxeon K2 LEDs. Offering exceptional colour washing capabilities, the PixelMax Wash complements the current range of PixelRange fixtures such as the PixelLine Micro W and the PixelLine 110. It is ideal for touring, lighting stages, as an audience blinder, backdrops, sets, cycs and lighting structures. The vast colour palette can create pretty pastels or deep saturated hues. IP20 rated, outstanding longevity, very low power consumption and can be floor mounted or hung from any structure.

- **New smooth dimmer curve emulates dimming of a tungsten lamp**

- 132 high intensity Luxeon emitters
- Red, green, blue and amber Luxeon K2 LEDs
- Custom LED arrays by request
- New white balancing
- 4.2 billion colour combinations
- Cellular and overall master intensity
